1982 HIGHLIGHTS

STATE LIBRARY NEWS

UTAH PLAN FOR LIBRARY AND INFORMATION SERVICES: On June 22, 1982, the State Library's Board officially adopted the Utah Plan for Library and Information Services, the state's first comprehensive long range plan addressing needs, goals, objectives and responsibilities for all types of libraries. The development of this plan was the top priority of the delegates attending Utah's 1979 Governor's Conference on Library and Information Services.

To create the plan and to implement other conference recommendations, the Utah Advisory Committee on Library and Information Services was appointed by the State Library's Board. The finished document resulted from the Advisory Committee's work, assisted by librarians and citizens around the state who attended hearings, participated on committees and submitted written comments.

25TH ANNIVERSARY CELEBRATION: On October 1, 1982, the Utah State Library celebrated its 25th anniversary by hosting over 500 guests at a special openhouse, providing tours of the library's facilities, honoring several individuals, and featuring a special program and presentations. The anniversary theme was "From Horse Stable to On-line Cable: 25 Years of Progress".

The program included remarks by Norma Matheson, wife of the Governor of Utah. Honored individuals included Ralph D. Thomson, first State Library Board chairman, Jesse Anderson, longest service on the State Library Board, Ivor J. Riggs, longest continuous years of service as a bookmobile librarian, and Arlene H. Grover and Bruce Wallace, years of service.

NEWS AROUND THE STATE:

CONSTRUCTION AND RENOVATION: Several library construction projects begun in previous years were completed during 1982: Emery County opened five new branches; the Payson City Library moved into a newly remodeled building; Salt Lake County opened new branches in Draper and Alta; Manti renovated the library exterior; Park City dedicated the remodeled Miners' Hospital as its new library; and the Weber County Library closed the Emerson Stone Branch and began construction of a new branch in North Ogden.

LANDMARKS: The Logan City library celebrated its 50th anniversary. The Davis County Library became the state's newest OCLC member. The Marriott Library (University of Utah) and the Harold B. Lee Library (Brigham Young University) both celebrated the addition of the two millionth volume to their collections.

NETWORK PLANNING: The year-long planning efforts of the BARS (Bibliographic Access and Resource-Sharing) Committees concluded in June with the formal acceptance of the BARS Network Plan by the Utah State Library's Board. In July, the BARS Steering Committee determined that activities for the coming year should focus on a network demonstration project involving a relatively small number of libraries.

Newly renamed UNCL (Utah Network of Cooperating Libraries), network implementation efforts continued, culminating in a budget request for state funding submitted as a part of the State Library's operational budget to the 1983 Legislature. As additional support for the network, the State Library organized an OCLC Cluster in conjunction with the Park City Library, and the library of the Utah Technical College at Salt Lake.

During the Fiscal Year 1981-1982, Title I Funds provided the following for our state's institutions.

State Prison	Purchased books, equipment and magazines.
State Training School	Purchased AV equipment, books and materials.
State Hospital	Purchased books, magazines, supplies, AV materials and equipment.
State Youth Development Center	Purchased books.
State Schools for Deaf and Blind	Paid salary of part-time library assistant.

II. SPECIAL SERVICES PROGRAM

Services to the Blind and Physically Handicapped (L.S.C.A., Title I).

During tne Fiscal Year, 1982, Title I and State Funds were used to extend library services to the Blind and Physically Handicapped people in Utah. Wyoming contracted with the State Library for total library service to their Blind and Physically Handicapped people. The states of Idaho, New Mexico, Nevada, Colorado, Montana, North and South Dakota, Alaska, and Nebraska contracted with the State Library for braille services only.

The Utah State Library for the Blind and Physically Handicapped is the Multistate Center serving 16 western states. As such, Utah is a back-up in service and collection to the Regional Libraries in the West.

During Fiscal 1982, the State Library circulated books to the Blind and Physically Handicapped in five different formats, i.e.: braille books, talking books, books on tape, large print books, and cassette books. In addition to these services, the library has provided a Radio Reading Service which broadcasts newspapers and other ephemeral information daily to its patrons.
